

TAILORED LAMP SHADES

A one day class to master core skills
9.30am to 5pm

The classic tailored lampshade has a curvy shape and a beautifully fitted cover. Variations in shape, size and style are huge yet the techniques remain the same.

On this one day class you will learn all the core techniques for how to make a tailored lampshade. Based in the dedicated Sewing Room at Traditional Upholstery School your expert lampshade tutors will teach you each stage step-by-step. Everything you need will be provided, including a broad choice of lampshade frames. At the end of this wonderfully creative and rewarding day you will take home your own impressive handmade tailored shade in your own choice of fabric... and importantly all the skills to make many more.

All you need to bring is fabric to cover your shade. Suitable for beginners and experienced sew-ers alike. Further details available by clicking the link below.

The course

Our tutors will break the process down into achievable stages. You will learn how to bind a frame, then create a template for a fitted cover. You'll be shown how to cut, measure and sew your fabric, then how to pin, stretch and stitch it to the

frame. We'll teach you how to fit the balloon lining and finish with a bias binding trimming or a braid.

It's an ambitious day, packed with information, but it's great fun and you'll be fuelled by plenty of tea, coffee and a full biscuit. We aim to ensure everyone has a super time and goes home proud of their creations.

What is provided

- WE have a range of lampshade frames in many shapes and sizes. These are charged for because prices vary.
- Binding tape and suitable cotton linings in shades of white, all supplied and included in the class fee.
- Pins, scissors, specialist thread and glue
- Sewing machines
- Tea, coffee, cold drinks and snacks are provided throughout the day

What to bring

Choosing your own fabric is one of the most enjoyable parts of the process, so we invite our students to bring their own top fabric.

Suitable fabric for a tailored lampshade is a lightweight cotton or linen.

Patchworking cotton is ideal. Silk is lovely – but brings its own technical challenges and is best saved until you have some experience. Avoid heavy fabrics, pile fabrics, stretchy, textured and embroidered fabric. If in doubt, bring a choice. 1m of top fabric will suffice. We provide plain white and ivory lining fabric.

Trimming

Trimming can make a tailored lampshade. On the course we will show you how to make a bias trim using your top fabric. This is suitable for a shade with plain rings and is an incredibly useful trimming to know.

If you decide to work on a scallop edge frame it will need trimming with a scroll gimp braid. Scroll braid is designed to hug curves while flat, making it ideal for the job. We have quite a few lovely braids in stock so should be able to find something to work well with your fabric. If you have something special in mind, please do email us at traditionalupholsteryschool@gmail.com

And don't forget:

- We have sewing machines and plenty of pins but do bring your own matching thread for your top fabric, sharp fabric scissors and a general sewing kit. It's a good idea to label your things so they don't get muddled up with all the others in the workroom.
- Camera or smartphone (to capture the best bits...)
- A notebook and pencil (...to write down the important bits)
- Consider comfy clothes. It's a big, airy, spacious workroom. In summer it's lovely. In winter, we have strong heating but it's worth packing extra layers just in case.
- Something for lunch. There's a microwave, sink and kettle in the kitchen area and the village shop is a three-minute drive away. There's usually a 'lunch dash' for those who need something.

Many students are keen to crack on with their projects so take a short-ish lunch break in the workroom.

- Take as many or as few breaks as you want. We want you to achieve what you want but it's meant to be relaxed, informal and fun too.

Timetable

We need some undisturbed time to set up the class first thing. Then you are welcome to arrive from 9.10am onwards. Classes officially begin at 9.30am and finish at 5pm.
